Dear Parents and School Community,

Welcome back to school and a with a new term of learning and teaching ahead of us – our two junior grades will be involved in learning about our community and the two senior grades will be focussing on history. Grade 56 students have been enjoying the amazing learning experiences at Sovereign Hill over the past two days being immersed in the role-play of living on the goldfields of the 1850s.

On behalf of the school community may I congratulate Mrs Cheyne who has announced the expected arrival of her first baby in term three. We wish Danni and Luke all the very best as they start this exciting part of their lives. Danni will therefore take leave from the start of term three and the school will soon commence the process to appoint a new teacher for the Grade 12 classroom.

## ANZAC Day Ceremony

Our senior students will be conducting this year's ANZAC Day Ceremony next Monday April 24 from 10:30am. The Ceremony will take place on the oval near our ANZAC Oak Tree. A morning tea in the conference room will be on offer to members and guests of the school community following the Ceremony.

A reminder that next Tuesday April 25 is ANZAC Day and it is a public holiday and therefore there is no school next Tuesday.

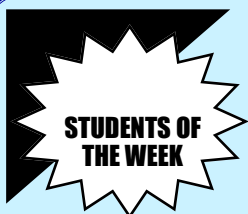

## Norman District Interschool Sports.

The interschool athletic sports, which were postponed last term, will be held next Thursday April 27. We will use the permission forms from the postponed event and we expect events and times to be the same.

It is great to be back after an extended holiday and I would like share an appreciation to Jo for replacing me for the last two weeks of term one.

With kind regards,

Andy Backwell ~ Principal
