This includes information about any medical condition or disability your child may have, medication your child may rely on while at school, any known allergies and contact details of your child's doctor. Macarthur Street Primary School depends on you to provide all relevant health information because withholding some health information may put your child's health at risk.

Macarthur Street Primary School requires information about all parents, guardians or carers so that we can take account of family arrangements. Family Court Orders setting out any access restrictions and parenting plans should be made available to Macarthur Street Primary School. Please tell us as soon as possible about any changes to these arrangements. Please do not hesitate to contact the Principal, Mr. Anthony Cross if you would like to discuss, in strict confidence, any matters relating to family arrangements.

### ACCESS TO YOUR CHILD'S RECORD HELD BY SCHOOL

In most circumstances you can access your child's records. Please contact the Principal to arrange this.

Sometimes access to certain information, such as information provided by someone else, may require a Freedom of Information request. We will advise you if this is required and tell you how you can do this.

Macarthur Street Primary School can also provide you with more detailed information about privacy policies that govern the collection and use of information requested on this form. This form is available on request.

### SPECIAL RELIGIOUS INSTRUCTION

The school may offer, as per DET policy, Special Religious Instruction (SRI). If approached by an accredited and approved SRI volunteer, the principal will decide whether there are sufficient resources and parent interest to enable SRI to be offered at the school each year.

Participation in SRI is voluntary, requiring annual parental consent for the child to participate (opt-in). SRI materials are available online and via the agency delivering SRI for parents to review. Parents are requested to read form CFMD141 (included in enrolment form) and return it to the school if they wish their child to participate in SRI. Students will not participate in SRI without this consent. Students not participating in SRI will be engaged in educationally valuable activities that are outside the core curriculum in a separate classroom or learning space to the students participating in SRI. You may withdraw your child/children from SRI at any time by notifying the school principal in writing.

## Student's Permanent Residence

Your child's permanent residence is the address where they spend the majority of their days during the school week. If they spend an equal amount of time at two addresses, both are considered their permanent address and your child will be entitled to enrol in the designated neighbourhood school for either address.

The school may make enquiries to verify the information provided, such as checking the electoral roll at an Australian Electoral Commission office or the Victorian Electoral Commission head office; checking with a real estate agent; or checking whether there are any regulations/codes limiting the number of people living at one residence, for example if a rental property is a studio or one bedroom unit.

# STUDENT MEDICAL DETAILS

The Department of Education and Victorian Government Schools require the health information requested in this section to plan for and support the health and wellbeing needs of students.

If there is a situation or incident which requires first aid to be administered to your child, school staff will administer first aid that is reasonably necessary and appropriate to their level of training. School staff will also seek emergency medical attention for your child if it is considered reasonably necessary. Any costs associated with student injury rest with parents/carers unless the Department of Education is liable in negligence (liability is not automatic). In the event that your child needs medical attention, school staff will contact you as soon as practically possible.
